RING OF FIRE

Subjects of the Pacific Rim

“Ring of Fire” invites builders to explore the many nations and cultures that ring the Pacific Ocean, from island atolls and coastal jungles to bustling cities and carrier task forces at sea. The theme celebrates the history, conflicts, culture and technology of countries bordering the Pacific, offering endless inspiration for aircraft, ships, armor, figures, sci-fi and gunpla.

Preregistration Available!

Pay your entry fee and head straight to the tables!

Here's how it works:

Anytime on or after April 1st, go to www.route66modelexpo.com. You'll see a Pre-registration button which will take you to the online forms.

Follow the instructions for completing registration for up to four **(4) Evaluated** entries and **Unlimited Display** Entries (Note: Display entries also qualify for Special Awards).

Preregistered:

1. When you show up at the Cashiers table, tell the Cashier you have preregistered.
2. Your fee will be collected and your forms handed to you. You may then proceed to the display tables. Look for an usher to direct you where to set up your display.

NOT Preregistered:

3. If you have already filled out PDF forms, pay the cashier and receive the PAID stamp to the Contest Entry Form. Then bring the Contest Entry Form and your Model Entryforms to the Registrar's table. Do not cut evaluated entry forms as they will be transferred to colored paper for judging purposes.
4. If you have not pre-filled your forms, proceed to the forms tables to complete your forms, THEN pay the cashier and secure the PAID stamp, then to the Registrar's table.

You may then take your forms and models directly to the tables. Look for an usher to direct you to where to set up your display.

Our online registration system is simple and easy to use, please consider giving it a try before completing the paper forms.

If you experience any issue using contact Casey Gray caseyg@tulsaims.com for assistance.
