

## 2024 Show and Contest, brought to you by the **Tulsa Modelers' Forum** and **Tulsa Miniature Motorworks**

**Theme: Three Ring Circus.** Show us your modeling chops! The Theme entry consists of 3 models, each from a different class (as defined on the show class list - example: auto, aircraft, figure). All 3 items are placed together in the theme area and judged as a single entry. Any model – whether it has been entered in prior TMF shows or won awards elsewhere – is eligible to be included in a theme entry. Only a single theme entry is allowed (one group of 3 models).

The registration instructions are on the Contest Entry Form, and if you follow them fully and complete them in advance, the registration process will go much faster for everyone! If you download the PDFs of the forms in advance, you can fill them out online before you print (and it's much easier to read than your handwriting!)

**New for 2024:** In the spirit of making our show a celebration of modeling rather than a competition, we have moved to Gold, Silver, Bronze judging – each model will be judged against the criteria on its own merits. We have also designed new two-sided challenge coins for GSB awards.

### **2024 Special Awards:**

Best WWII Military Vehicle and Best Modern US Navy Aircraft

Please feel free to download the **Judging Criteria** we use (see the Contest Page on our site).

**[www.route66modelexpo.com](http://www.route66modelexpo.com)**

### **Schedule for the event:**

- **8:00:** Doors open for **vendors** (earlier if we can get set up).
- **9:00:** Doors open to the **public** and for **modeler registration**
- **10:30 – 2:30:** **Raffle**
- **11:00:** Registration **closes** and **Judging begins.**
- **3:00:** **Award ceremony** (or as close as possible!)

**NEW Challenge Coins**

Our goal is to encourage as many modelers to participate as possible, to celebrate your work, and to spend an enjoyable day together among fellow hobbyists. To that end, if you see any room for improvement, please feel free to find anyone in a Tulsa Modelers' Forum shirt and share your idea, or use the feedback form that is part of the Contest Entry Form. You can also contact me directly at [greg.kittinger@gmail.com](mailto:greg.kittinger@gmail.com), or call or text me at **918-260-8349**

# NEW for 2024: Preregistration Available!

## Pay your entry fees and head straight to the tables!

Here's how it works:

1. Complete the **Contest Entry Form** and a 2-part **Model Entry Form** for each model and save them to your computer. I suggest you include your last name in each file name, just for an additional measure of clarity. For example, the file name for your Contest Entry Form might be "Kittinger-Contest-Form," and for a model entry form "Kittinger-Wildcat-Phantom" (each PDF model entry form has space for 2 models to be entered).
2. Email all the forms to me: [greg.kittinger@gmail.com](mailto:greg.kittinger@gmail.com) **BEFORE, NOT ON**, April 13<sup>th</sup>. I will confirm receipt of forms.
3. Your entries will be assigned entry numbers, be entered into the contest database, and your forms will be cut and prepared for you.
4. When you show up at the **Cashiers** table, tell the Cashier you have preregistered. Your fees will be collected and your forms handed to you.
5. You may then take your forms and models directly to the tables.

## NOTES:

- Please consider preregistering! It will save us (and you) time and allow us to begin judging sooner.
- We are NOT offering a method of pre-payment, only preregistration!
- Make sure you have marked any entries that qualify for the additional awards (WWII Military Vehicle and Modern USN Aircraft).
- If you desire to ADD an additional model to your registrations since you preregistered, inform the **Cashier** so your fees can be updated, and you'll then need to take the entry forms for any additional entries to the **Registrar** so they can be added to the database and assigned entry numbers.
- If you have decided NOT to enter models you had preregistered, inform the **Cashier**, pull those model entry forms from the stack and hand to the Cashier, then after payment proceed to the tables with your forms and models.
- If your forms arrive later than April 13<sup>th</sup>, you may not be preregistered and will need to proceed as if NOT preregistered.
- **IF YOU DO NOT RECEIVE A CONFIRMATION EMAIL**, you may not have entered my email address correctly or I may not have entered yours correctly, and you may or may not be preregistered. Please have mercy and be patient with us!

# TULSA MODELERS FORUM 2024 - CONTEST CATEGORIES

## JUNIOR

- 1000 Junior Military
- 1100 Junior Non-Military

## AIRCRAFT

- 1200 Pre-1927 Aircraft All Scales

# Contest Entry Form

*To make registration smooth and fast, please read carefully and complete your model entry forms and registration process properly.*

1. Complete the **Contest Entry Sheet** (this page) including check box for junior if applicable.
2. Complete one 2-part **Model Entry Form** for each model (**one half-sheet per model**).
3. Check applicable boxes on the **Entry Form** for any of the the two special awards (see details below for what qualifies for these special awards).
4. For any **THEME ENTRIES**, use the **separate Theme Entry Form**. There is only a single form per entry required.
5. Bring the completed forms to **Cashier** to pay for registration and **receive PAID stamp**.
6. Bring the STAMPED forms to the **Registration** table.
7. Place both parts of the 2-part Model Entry Form and your model on the table in the appropriate section – category numbers and descriptions are on the table tents. **Theme models have a special section.**

**Junior** – under 18

**Please add me to your mailing list.** You can unsubscribe at any time. If you are already on the list, only add if your email has changed.

**Number of entries:** \_\_\_\_\_ **Total due:** \_\_\_\_\_ **Paid:** cashier completes

Entry Fees: \$15 for up to 2 entries, then \$2 per entry for each additional, up to \$40 max.

## Detail for Special Awards qualification:

**Theme:** Three Ring Circus: The entry consists of 3 models from three separate classes, any scale. We award a trophy for 1<sup>st</sup> place, and plaques for 2<sup>nd</sup> and 3<sup>rd</sup> places.

**Best WWII Military Vehicle:** If the subject was used by any combatant during WWII in a military capacity, it qualifies for this trophy.

**Best Modern USN Aircraft:** Any US Naval aircraft entering service after 1950.
